“ Grammy has always been a very special part of our family. She babysat for 2 of our children for several years when they were young. "About 38 years ago" They love her and will always have her in their hearts. She also babysat for our first grandchild when she was a toddler "Off to McDonald's every day". We will always love and miss her! Our thoughts and prayers are now with her family. Love David and Kathy Durand

“ Grandma as I called her was one of the sweetest ladies I have ever met. To see her in church every Saturday was so inspiring. Her sense of humor showed that age was only a number. Once I asked if she had done anything different with her hair and she replied "you were the only one that noticed". She never missed a thing and she told me one Sabbath "I knew it was you sitting there because I recognized your beautiful hair". Yes that was Grandma, ready to say what she meant and to mean what she said. Will miss you Grandma!

“ What a sweet sweet lady Grammy was - and how wonderful it is to share her first name. I know she will be missed greatly by many - but we have the assurance of seeing her again and not being separated, and I'm hanging on to that.

Family and friends are in my thoughts and prayers!
