

Diane Dailey

November 14, 1945 - December 10, 2015

Diane T. Dailey, 72, of Coral Springs, FL passed away on December 10, 2015. Born on November 14, 1943 in Scranton, PA to Daniel and Ruth Thomas. She is survived by her beloved husband of 45 years, Philip; her sons, Charles and Brian; and her sister, Susan Godek.

Diane was a lover of family, animals, crafts, puzzles, and books. It brought Diane great pleasure to spend time with her family, which included her family pets- cats, dogs, and birds. Diane was talented with her hands and enjoyed crafting many things. During the holidays she enjoyed spreading cheer by making custom decorations, ornaments and stockings, and sending them to friends and family.

Diane was a very intelligent woman and enjoyed challenging her mind. She loved expanding her knowledge and was always engaged in crossword and jigsaw puzzles. She travelled with Philip frequently and recently took the "trip of a lifetime" across the United States, visiting most of the states and many national parks.

We will miss her kind eyes, her gentle smile and often unique way of getting a thought across. We love you Hon.

At Diane's request, there will not be a public service. Philip would like friends

to view a Memorial Tribute Video that will be posted under the Photos & Videos tab within 24 hours.

“ *Mom, you always took time to try and make the world a more beautiful place. You also did more than your share in trying to make a great life for me. I hope you know how much I appreciate that. I will always cherish your clever wit and ability to spin a tough situation into something funny. Thank you so much for making my life so rich and full and beautiful and fun! ...Fun!*
