

Patsy Maietta

May 28, 1930 - October 6, 2012

Our dad was a wonderful, loving, proud man who was married to our mom for 62 years. They were together for almost 70 years. They started dating at age 14. They raised 4 great kids together and he was the proud grandfather of 7 grandchildren and 4 great grandchildren.

Dad was a mason contractor who worked with his father Tony and his brother Joe as "Maietta and Son's". Years later he owned and operated his own business for over 40 years. He was well known for his custom stone and brick work and never needed to advertise. He had hands of gold and everyone wanted him to do their work.

Dad was one of the most well respected men in the Five Towns, New York. Dad taught his children about integrity. He taught us never to lie, cheat or steal. Those were very important attributes in his life. Dad's "name" was always the most important value in his life. Never disgrace the family name. And Dad...he could always hold his head up high and be proud!! He was also the proud recipient of an honorable discharge from the United States Navy and Navy Reserves serving four years. And what a handsome sailor he made!!

Dad loved to golf and was a member at the Inwood Spartans AC. He was an advent sportsman who loved to deer hunt, ride and race motorcycles, build

sports cars and hot rods. He even built his own boat. He was a member of the Inwood VFW and the Kiwanis Club. Mom was always by his side and behind him on his bike. They rode together for many years. Dad was such a handsome man.....mom never let him out of her sight!!

Dad and Mom retired to Florida in 1992. They have resided here since with their children and grand children close by.

Dad was always there for his children, no matter what they needed. We all knew we could go to "Daddy" at any time. Dad did not know how to say the word "no". He was definitely a man of Yes.

Daddy we love you and will miss you very much. You will always be with us in our hearts.

“ What can I say Pop... You were an amazing Father, Husband to Nanny, and Grandfather to us all... You always taught me to be tough and stand up for myself no matter what, you were truly Superman in my eyes... I will miss you deeply... I will never forget the memories we shared (watching TV at night on your side of the house, going hunting with Dad, swimming and playing in the backyard in NY in the pool you built, and my Wedding Day in the picture that I was honored you attended)... You were a great and honest man who always put his family first... While your spirit and energy live on we will always hold you in our hearts forever... Rest now Pop, we'll take it from here... Love you always

“ *To a man who put others before himself, thank you for always being there. We are all going to miss you very much.
I will never forget our hunting days together. Thanks for all the great memories.
God Bless, Randy Sr.*

“Uncle Pat, You will be missed! As a child growing up I really had 2 fathers, my Dad (Joe Maietta), and Uncle Pat. Early on they both taught me the meaning of hard work! But starting at age 12, and until I entered college, I worked with Uncle Pat every summer in his landscaping business. He taught me everything I know about gardening. Thanks to him, I have always had beautiful lawns and shrubs at all of my homes! To this day, at age 64, when I cut my grass or "prune" the shrubs, I think of him! BUT... with Uncle Pat there was always time for FUN! I still remember the weekend in 1965 he took me deer hunting upstate in Oneonta. He almost always came home with a trophy. I will forever have the memory of the many deer carcasses he proudly hung from the giant tree in his driveway at 376 Sheridan Blvd.! Uncle Pat built his own boat BY HAND and called it BEBE. What a thrill to "go out on the boat" with him. I watched in awe as he water skied like a pro. It was also Uncle Pat that took me for my first ride on a motorcycle.... HIS BSA... and my first try at driving a GO KART.. that HE BUILT! Dad taught me to drive, but it was Uncle Pat that taught me how to drive a 5 SPEED SHIFT! I had to learn quick or I wouldn't be able to drive the 1957 MGA he restored in his garage and sold to me for a mere \$500 (he could have sold it for a LOT more, but after all ..I was Family!) Thank God I got to speak with him on the phone just a week before he got sick. As always, he was happy to hear from me and loved to talk.

Uncle Pat was with me from the beginning (that's him and Auntie Bebe in the right rear of the picture at my Christening in 1948), and he will always be with me in my memory and in my heart! God bless you and keep you Uncle Pat.

Love, your nephew Mike

“Poppy, As I light this candle in your memory, it also signifies the lifelong Light that we have shared, and now your light is eternal. May it shine brightly down on all of us. Your memory will remain with me forever. I am very lucky to have grown up with you around me and cherish those moments we shared. I Love you with all my heart and I will miss you dearly..... All my love to you and may you rest in peace..... Your granddaughter, Cindy
