*I'm so glad I was able to make it to the funeral. It was very heart-breaking to see them had the flag over to my Dad but it's a moment I'll never forget. The time spent and conversations with family during those couple days I was in FL are priceless to me and the stories of my "Triangle-Head" grandpa will always live on. Many thanks to Jen and Vicky for the photo montage and the poster boards with all those fantastic photographs. Heaven certainly just got a little more dapper.*
